How do you say "I do" without breaking your fiancee's heart by breaking the bank? By tying the knot midweek.

According to wedalert.com, weekday weddings are gaining in popularity because of the substantial savings. Taking the trend to heart is Poets Cove Resort and Spa on Pender Island. The deluxe resort is proposing a mid-week wedding package for those on a budget. The deal includes discounted room rates and a 10 per cent reduction in the Bridal Spa Package (a pre-wedding tradition that involves a body scrub, facial, mini mani-pedi and professional makeup application).

Poets Cove has an on-site wedding co-ordinator, and a chef who can design a menu for any taste. Local Pender Island suppliers can provide flowers, photography and music. For more information, go to poetscove.com or call 1-888-512-7638.
